\*Bridal or Engagement session can be replaced with rehearsal dinner coverage or added time to wedding day coverage.

\*\* We work together with the client and choose the best photos for your Custom Wedding Album and apply your preferred image processing style (sepia tones, soft focus, color pop, tilt-shift effects, textured backgrounds, group picture fix-ups, blemish removal and unattractive shadows, or any other photo manipulation you might have in mind). Vouchers can be used for ordering prints of any size through our website or can be used as a discount towards your Custom Wedding Album.
